

REMINDER: FILING OF CLAIMS AFTER 15 JUNE 2021

As already mentioned by the Administrators in their message on 16 July 2021, creditors who filed their claim after 15 June 2021 but before c.o.b. (CET) 19 August 2021, are deemed - by virtue of their claim filing - to also make a request at the meeting regarding consultation and vote on the SIHNV Composition Plan to be admitted to the list of creditors. To the extent required, such creditors may be asked to provide a proxy to effect such request.

The Administrators will not object to the late filing itself (be it that other creditors may object and with the caveat that the Administrators, SIHNV or other creditors may opt to dispute the claim itself). The Administrators will oppose placement of claims on the list of creditors, if the claims are filed after c.o.b. (CET) 19 August 2021 (cmp. S. 265 (2) and (4) DBA).

Please note that placement on the list of creditors is not a prerequisite for receiving payment under the SIHNV plan of composition. Also, creditors will not - by virtue of filing a claim too late - lose their voting rights, since the committee of representation has the exclusive right to vote on the SIHNV composition plan. Finally, pursuant to the Court's decision of 28 May 2021, no list of creditors' claims will be prepared for creditors that qualify as 'MPC Claimants' (as defined in the SIHNV composition plan).
